

MSP On Demand BDR Program - HaaS Kit

BDR Program

The MSP On Demand - HaaS Program is a highly sophisticated vehicle that will permit your company to move from a standard Managed Service Provider (MSP) to a fully equipped HaaS Reseller – The Haas© Program will provide you with all the necessary tools, including software, support, training, and the knowledge to transition to the next generation of IT Service Providers

The BDR Program includes:

- Our Web-Based HaaS Quotation Tool
- The Funding Network - BDR Solutions Only
- Credit Desk
- The Semi-Private Label MSP/
Funding agreements
- Sample Proposal Templates
- Our reseller training classes

NOW includes:

- HaaS Selling Kit (presentations, example pricing, contracts, etc)
- HaaS proposals

What to do Next.....
